Como para as outras tragédias romanas, o material histórico de Júlio César foi tirado das Vidas Paralelas, de Plutarco. Júlio César é a primeira das grandes tragédias que Shakespeare iria escrever na primeira década do século XVII, e marca uma modificação decisiva na orientação artística do autor, que até então se ocupara com temas inocentes de comédias. Por volta de 1599, após as peças sobre a história inglesa, Shakespeare iniciou com Júlio César o ciclo das tragédias romanas. César, figura particularmente fascinante para os elisabetanos, é assassinado na primeira metade da peça, mas permanece no centro da ação por meio das atitudes e reflexões dos outros personagens. A tragédia fala de ironia, da cegueira do povo, das sangrentas lutas pelo poder, de vida privada e responsabilidade pública, e da imensa tensão entre política e moral.
