VERSION ANNOTÉE

Classique parmi les classiques, la bible est certainement le livre qui a connu le plus d'éditions et le plus grand nombre de tirages depuis l'invention de l'imprimerie.

À l'heure de l'édition numérique, il paraissait évident d'en réaliser une édition TextBook pour tous les fidèles qui souhaitent avoir ce livre de référence à portée d'iPad, mais également pour tous ceux, non croyants, qui voudraient découvrir ce texte universel.

Malgré les heures de travail nécessaires à la réalisation de cette version, Apella Inc. a décidé de proposer l'ouvrage à prix coûtant.
