Una cronologia che copre centocinquanta anni di storia d'Italia, dal 1861 ai nostri giorni, e che diventa storia dei nostri padri e delle nostre radici, tutte da scoprire. Questo primo volume va dall'Unità alla fine della seconda guerra mondiale e prende in considerazione, non solo le vicende politiche, economiche e istituzionali, ma anche aspetti della storia sociale e culturale. Una piccola storia d'Italia in date che si propone di lasciar intravedere la complessità e la pluralità dei vissuti cui la stringata elencazione rimanda. Di qui, l'ampio spazio lasciato a documenti e testimonianze ma, di qui, anche le righe bianche poste a conclusione di ciascun anno.
