Comment devenir traître, comment ne pas l'être ? C'est la question que se pose le héros du récit qui travaille en même temps pour la Gestapo française et pour un réseau de résistance. Cette quête angoissée le conduit au martyr, seule échappatoire possible. Par ce livre étonnant, tendre et cruel, Modiano tente d'exorciser le passé qu'il n'a pas vécu. Il réveille les morts et les entraîne au son d'une musique haletante, dans la plus fantastique ronde de nuit.
