Rebeliões, assaltos, sequestros, assassinatos, narcotráfico... A lista de crimes engendrados pelo PCC - Primeiro Comando da Capital é tão gigantesca quanto sua estrutura. O PCC foi um monstro gerado por oito detentos dentro do sistema penitenciário, na Casa de Custódia de Taubaté - SP. Seus tentáculos se espalharam para fora dos muros das prisões e agora atemorizam, além dos brasileiros e suas instituições, até outros países vizinhos. Nesta obra você vai conhecer a verdadeira história dessa facção, contada por uma das maiores e mais especializadas autoridades brasileiras no assunto - o procurador Marcio Sergio Christino - e por Claudio Tognolli, um dos mais importantes jornalistas investigativos.
