Les rois du désert Le désert est leur force. La passion est leur faiblesse... Malak al-Khalia a longtemps mené l'existence légère d'un play-boy. Collectionnant les conquêtes féminines et les voyages, il ne songeait qu'à assouvir ses désirs. Pourtant, le jour où il se retrouve roi, le voilà contraint d'assumer son statut de souverain - et les responsabilités qui y sont associées. Un défi d'autant plus grand qu'il découvre soudain que l'une de ses maîtresses, l'inoubliable Shona, a eu un enfant de lui...
