Narvarth est le seul à posséder les clefs de l'univers parallèle. Il est le centre de toutes les convoitises. Les autorités de la Fédération l'ont mis au vert sur un monde isolé, en compagnie de Krurgor, Callista et Granite. Mais l'inaction pèse, et lorsqu'on propose à Granite une mission d'agent de la fédération, elle s'embarque et laisse Narvarth seul ... face à Callista !
