XIIe siècle. L'Angleterre est déchirée par la guerre civile et affaiblie par la famine et une épouvantable crise religieuse. À Kingsbridge, la construction de la plus grande cathédrale du monde suscite rivalités, violences et luttes de pouvoir. Les destins de Philip, le prier, Jack, le bâtisseur ou la jeune aristocrate Aliena s'entremêlent dans cette superbe épopée romanesque où l'amour et la haine sont omniprésents.

Une fresque monumentale par le plus grand bâtisseur de romans historiques de notre époque.
