1487. Bâtarde de sang royal, Clarissa de York est envoyée en Écosse afin de donner un héritier à Jacques III, souverain détesté par les clans de Highlanders. À peine arrivée, elle est enlevée par Broen MacNicols qui entend barrer la route du trône aux Anglais. Magnanime, le laird la conduit chez lui plutôt que de lui trancher la gorge. Mais que faire de cette encombrante jeune fille qui le considère comme un barbare ? Broen s'aperçoit vite que Clarissa est loin d'être une captive docile. Et si son tempérament l'exaspère, il éveille aussi en lui un profond désir.
