Have you ever wondered what might have been?

Gemma is at the airport, staring at two plane tickets to two different cities. Two different weddings. Two different futures. She's at a crossroads.

Be maid of honor at her best friend's wedding or crash her ex's?

Gemma's decision, unknown to her, hinges on a delayed flight and a chance meeting. Now her life is about to go down two parallel tracks--**will Gemma fly toward a life with her first love or a future with a man she's not even met yet?**

In concurrent storylines, Gemma lives out the consequences of each journey. Different stories unravel with unpredictable outcomes for Gemma and her loved ones.

A feel good romantic comedy perfect for fans of *Maybe in Another Life* by Taylor Jenkins Reid, Lindsey Kelk, and Sophie

Kinsella.

First Comes Love is a series of interconnected romantic stories. However, each book in the series can be read as a standalone novel.
