Buddhism has a lot to say about suffering—and there are likely few times we suffer more intensely than when we break up with a romantic partner. It feels like you may never recover sometimes. But Lodro Rinzler has wonderfully good news for those suffering heartbreak: the 2,500-year-old teachings of the Buddha are the ultimate antidote for emotional pain. And you don't need to be a Buddhist for them to apply to you. In this short and compact first-aid kit for a broken heart, he walks you through the cause and cure of suffering, with much practical advice for self-care as you work to survive a breakup. The wisdom he presents applies to any kind of emotional suffering.
