Iris Clayton is supposed to be on a tropical island, soaking up the sun and a few dozen mojitos. Instead, she's snowbound in Chicago overnight, holding out hope the morning flight isn't cancelled. Good thing there's a hot cowboy to keep her company. And it doesn't hurt that Mr. Tall, Calm, and Sun-Streaked can make her tremble with one sultry look from under his well-worn hat.

Montana rancher Nash Wallace sucks at ice skating, has no clue what a selfie is, and may be a tad averse to breaking and entering, but being with Iris makes him want to bend a few rules. Or, hell, throw them out the window altogether. She's fun, spontaneously crazy, and can rock a Muppet fur coat like no one's business. He's falling hard and fast, but wanting to spend his life with someone after one night is insane.

Except, nothing has ever felt so right, and neither of them wants the night to end...

Each book in the Crazy Love series is a standalone, full-length story that can be enjoyed out of order.
