MAGIA SEXUALIS

Pascal Beverly Randolph est une des grandes figures mystérieuses de l'occultisme du XIXe siècle. Bien avant Freud, il fut le premier occidental à proclamer que la clef de tous les mystères de l'univers se trouvait dans le sexe. Plus encore, considérant que « Le sexe est la plus grande force magique de la nature », il conçut une nouvelle forme de magie - la Magia Sexualis ou magie sexuelle - et il créa des ordres initiatiques pour l'enseigner à ses contemporains. Magia Sexualis explique, schémas à l'appui, comment utiliser le coït dans un but tant mystique que d'influence sur autrui. Il constitue, à ce titre, la meilleure introduction à cette forme de magie aussi secrète qu'efficace.
