## MANIPULATION LA REPÉRER, S'EN PROTÉGER

ARMAND COLIN

Tout le monde a été confronté à la manipulation. Mais tout le monde ne développe pas l'art de la manipulation et n'a pas le désir d'utiliser autrui comme un objet ! Jusqu'où la manipulation peut-elle aller ? Il n'y a pas de « bonne » manipulation : la manipulation contraint, soumet, domine, de façon occulte.

Techniques d'influence, manipulation, pouvoir, propagande, lavage de cerveau, ce livre décrypte les ressorts cachés des aliénations masquées... Il vous apprendra à voir l'invisible, le dessous des cartes dans tous les domaines de la vie : famille, amour, commerce, publicité, marketing, entreprise, management, politique, propagande, médias, sectes, et même dans des pseudo-thérapies !

À l'aide d'exemples pratiques de la vie quotidienne, d'astuces, de règles d'or, Ariane Bilheran vous guide dans l'univers des jeux de pouvoir psychiques, et vous en dévoile les secrets afin de ne plus en être victime.
