A hilarious collection of essays from 'the premier observer of our world and its weirdnesses,' *New York Times* bestselling author David Sedaris (Adam Kay, author of *This is Going to Hurt*)

Anyone who has heard David Sedaris speaking live or on the radio will tell you that a collection from him is cause for jubilation. A move to Paris from New York inspired these hilarious pieces, including 'Me Talk Pretty One Day', about his attempts to learn French from a sadistic teacher who declares that 'every day spent with you is like having a caesarean section'.

His family is another inspiration. 'You Can't Kill the Rooster' is a portrait of his brother, who talks incessant hip-hop slang to his bewildered father. And no one hones a finer fury in response to such modern annoyances as restaurant meals presented in ludicrous towers of food and cashiers with six-inch fingernails.

Readers say:

'Fantastically funny book which gets better and better'

'Oh how I loved this book. **David Sedaris and his adventures in learning to speak French made me cry with laughter**, especially the terrifying teacher at the language classes'

'Why have I not discovered him before'
