

Télécharger Livres Gratuit Mémento - WordPress, programmation (PDF | ePub | Mobi) Jonathan Buttigieg DataBase Book

Plus qu'un outil de blog, WordPress est un CMS professionnel, très modulaire mais demandant des compétences assez pointues pour le personnaliser en profondeur. Pour cela, il contient un nombre important de fonctions (plus de 1840 à ce jour) et de hooks, et il est très difficile, même pour un expert, de connaître l'ensemble des subtilités du CMS.

Ce mémento est donc destiné à aider les développeurs de tous niveaux en leur permettant d'avoir toutes les fonctions sous la main.
