On ne s'improvise pas designer, il s'agit d'un métier à part entière. Voilà ce que nous démontre dans ce nouvel ouvrage de la collection A Book Apart, le designer Mike Monteiro, qui livre ici une multitude de conseils sur les aspects pratiques du métier de web designer : comment trouver des clients, comment les choisir puis les gérer, comment établir des devis, signer des contrats, vendre son travail, comment se faire payer et travailler en équipe.

Un petit livre unique en son genre, qui décrit simplement et honnêtement la recette du succès !
Avec une préface de Erik Spiekermann.
