Mexico ! Condensé de sites précolombiens mais aussi de paysages, il n'est pas impossible de passer d'une zone semi désertique à une zone tropicale, l'instant d'un virage laissez-vous chavirer par le contraste mexicain ! Du nord au sud, d'est en ouest, le pays est couvert de ruines imposantes, vestiges des civilisations olmèques, toltèques, maya et aztèque : grandes cités, autels grandioses en forme de pyramides, temples et tombeaux ornés de sculptures et de peintures murales.
