

Télécharger Livres Gratuit Modern Kusudama Origami (PDF | ePub | Mobi) Ekaterina Lukasheva download-free

Discover kusudama, the paper sphere, formed by modular origami construction techniques. The figures created through modular origami are highly symmetric, because they are made from multiple equivalent units or modules. The method of modular origami offers a great flexibility in shapes you can achieve, while keeping the single unit relatively simple/ Modular origami is a great hobby for those who adore origami and construction sets. This guide presents step-by-step instructions for over 30 elaborate modular origami figures that range difficulty from easy stars to intricate kusudamas. The most of the models in this book are brand new and have never been published to the wide audience.
