The highly sought after baby and toddler care experts strike again with this easy-to-read guide to everything moms and dads need to know for babies 6-15 months.

For babies between 6-15 months, this resource takes the guesswork out of:

- Common Illnesses (What is it, what do I do about it, when do I call the doctor?)
- Feeding (including a grocery list and easy-to-read, specific guidelines on progressing from baby food to table food and mastering that sippy cup!)
- Sleeping (including instructions on how to establish all night sleep 10-12 hours in a row, naptime tips, how to transfer to that toddler bed and much much more!)

The Moms On Call Next Steps Baby Care: 6-15 months also includes the incredibly popular, hour-by-hour schedules mapped out at a glance!

Advice from two pediatric nurse moms with eight children between them has moms all over the globe hailing this as, "The absolute, best baby book ever."
