Lotta Dann was in trouble - her fun drinking habit had slowly morphed into an obsessive hunger for wine. One bottle a night was never quite enough. When she tried to cut down, she found it nearly impossible to have an alcohol-free day.

Everyone around could see her drinking, but no one realised what a serious problem it was. She was high-functioning, fun-loving Lotta, not some messy, hopeless drunk. Only Lotta knew how sick and twisted her thinking about wine had become.

Desperate and miserable, she was falling deeper and deeper into a boozy hellhole and running out of ideas about what she could do to stop it. What's a girl to do when her beloved wine becomes the enemy?

Here's what Lotta did. She stopped drinking and secretly started a blog that charted the highs and lows of learning to live without alcohol. Mrs D was anonymous, honest and, as Lotta would discover, surrounded by people who would help

her on her journey, and whom she could help in return.
