Rush withheld a secret that had destroyed Blaire's world. She knows she can never forgive him, but she can't forget him either... Now, Blaire's back home in Alabama and is trying to move on with her life ... until something happens to send her world spinning once again.

What do you do when the one person you can never trust again is the one that you need to trust so desperately? You lie, hide, avoid, and pray that your sins never find you out.
