Discover the sensual and sweeping power of love in *New York Times* bestselling author Judith McNaught's contemporary romances that will make "you laugh, cry, and fall in love again" (*RT Book Reviews*)—now available for the first time on ebook.

In this "exciting tale of loyalty, love, and danger" (*Publishers Weekly*), Sloan Reynolds, a small-town Florida policewoman, knows that her modest upbringing is a long way from the social whirl of Palm Beach, the world inhabited by her father and her sister, Paris. Total strangers to Sloan, they have never tried to contact her—until a sudden invitation arrives, to meet them and indulge in the Palm Beach social season. Reluctant to accept the long-overdue familial gesture, Sloan is convinced to visit when an FBI colleague informs her that her father and his associates are suspected of fraud, conspiracy, and murder. The only catch is she must hide her true profession from her family.

Sloan is on top of her game until she meets Noah Maitland, a multinational corporate player and one of the FBI's prime suspects. She finds herself powerfully attracted to him, against her deepest instincts. When a shocking murder shatters the seductive facade of the wealth and glamour surrounding her, Sloan must maneuver through a maze of deceit and passion in this superb and enthralling tale of breathtaking suspense.
