Chris Baty, founder of the wildly successful literary marathon known as National Novel Writing Month, has completely revised and expanded his definitive handbook for extreme noveling. Chris pulls from over 15 years of results-oriented writing experience to pack this compendium with new tips and tricks, ranging from week-by-week quick reference guides to encouraging advice from authors, and much more. His motivating mix of fearless optimism and practical solutions to common excuses gives both first-time novelists and results-oriented writers the kick-start they need to embark on an exhilarating creative adventure.
