Jean-Louis Debré

**NOS ILLUSTRÉS
INCONNUS**
*Ces oubliés
qui ont fait la France*

Ferdinand Buisson, infatigable promoteur du droit de vote des femmes ; Alfred Naquet, l'inventeur de la loi sur le divorce ; Philippe Grenier, le député musulman qui soignait ses électeurs comme un marabout ; Lucien Neuwirth, le défenseur de la pilule ; Philippe Séguin, champion de la souveraineté française ; Ledru-Rollin, l'un des pères de notre suffrage universel... Sans oublier le dernier évêque député, le promoteur de la tombe du soldat inconnu, le député qui réclama le premier le vote des femmes, le plus grand défenseur du protectionnisme... Tous sont des personnalités hors norme, mais leurs oeuvres sont trop souvent méconnues. Il est temps de leur rendre leur nom et leur place ! Tel est le but de ce nouveau livre de Jean-Louis Debré.
