For readers of Nora Ephron, Tina Fey, and David Sedaris, this hilarious, poignant, and extremely frank collection of personal essays confirms Lena Dunham—the acclaimed creator, producer, and star of HBO’s *Girls*—as one of the brightest and most original writers working today.

“If I could take what I’ve learned and make one menial job easier for you, or prevent you from having the kind of sex where you feel you must keep your sneakers on in case you want to run away during the act, then every misstep of mine was worthwhile. I’m already predicting my future shame at thinking I had anything to offer you, but also my future glory in having stopped you from trying an expensive juice cleanse or thinking that it was your fault when the person you are dating suddenly backs away, intimidated by the clarity of your personal mission here on earth. No, I am not a sexpert, a psychologist, or a dietician. I am not a mother of three or the owner of a successful hosiery franchise. But I am a girl with a keen interest in having it all, and what follows are hopeful

dispatches from the frontlines of that struggle.”

## Advance praise for *Not That Kind of Girl*

“It’s not Lena Dunham’s candor that makes me gasp. Rather, it’s her writing—which is full of surprises where you least expect them. A fine, subversive book.”—**David Sedaris**

“Always funny, sometimes wrenching, these essays are a testament to the creative wonder that is Lena Dunham.”—**Judy Blume**

“Dunham’s writing is just as smart, honest, sophisticated, dangerous, and charming as her work on *Girls*. Its essential quality is a kind of joyful super-awareness: of herself, the world, the human. Reading her makes you glad to be in the world, and glad that she’s in it with you.”—**George Saunders**

“Very few women have become famous for being who they actually are, nuanced and imperfect. When honesty happens, it’s usually couched in self-ridicule or self-help. Dunham doesn’t apologize like that—she simply tells her story as if it might be interesting. *Not That Kind of Girl* is hilarious, artful, and staggeringly intimate; I read it shivering with recognition.”—**Miranda July**

“This book should be required reading for anyone who thinks they understand the experience of being a young woman in our culture. I thought I knew the author rather well, and I found many (not altogether welcome) surprises.”—**Carroll Dunham**

*From the Hardcover edition.*
