O profeta é uma maravilhosa viagem espiritual através de um dos grandes clássicos do século XX. Foi escrito em inglês e traduzido em 40 idiomas. É um conjunto de meditações sobre temas universais como o amor, a morte, a família e a esperança. Gibran Khalil Gibran nasceu em 6 de dezembro de 1883, no Líbano. Aos onze anos emigrou para a América com a família. Por muitos anos ganhou a vida como pintor. Em 1923, foi publicada sua obra-prima, O profeta. Foi um sucesso imediato, e as vendas nunca caíram. Khalil morreu em 1931 de insuficiência hepática e tuberculosa incipiente, mas o autor nunca perdeu a paixão pelo Líbano, onde foi enterrado e onde é considerado uma lenda.
