"Reconnue pour ses récits parfaitement ciselés et son graphisme à couper le souffle, Okko s'est rapidement imposée comme la série de référence dans l'univers du « sabre ».

Au-delà de la parfaite retranscription du Japon médiéval, qui n'est pas sans rappeler le cinéma de Kurosawa ou la célèbre saga de Zaitochi, Okko est avant tout une grande bande dessinée d'aventures pour tous les publics.

Sur la piste de Petite Carpe, Okko, Noburo, Tikku et Noshin ont été poussés par la tempête vers le château Satorro. Bien accueillis par les maîtres des lieux, ils en viennent à s'interroger sur l'atmosphère mystérieuse qui y règne. Tikku est bien décidé à inspecter le château et à découvrir ce qu'il cache."
