The Campania burns. Violence has washed the Amalfi coast in blood after the failed assassination attempt of their Camorra Don. It is war. And Don Giovanni Battaglia has put one man in his scope. The one he once called brother. Family secrets have surfaced to put into question everything he believes about his past. However, revenge is the only future he seeks, and he'll sacrifice his criminal empire to have it. But will he succeed? With the love and support of his Donna, his quest for vengeance delivers consequences to the lives of his family, friends, and children for generations to come.

Donna Mirabella is thankful to God that her husband is alive. But the man he is now is barely recognizable in comparison to the one she fell in love. To be his Donna during this ruthless war both her marriage and faith will be tested. Can she save him, her sister and an innocent unborn child in all of the chaos? Or will she finally be the Donna Nera who chooses her husband above all else?
