" On tue un enfant " : fantasma originel, inquiétant, évité, méconnu. La figure où se rassemblent les vœux secrets des parents, tel est pour chacun l'enfant à tuer, et telle est l'image qui enracine dans son étrangeté l'inconscient de chacun. " Sa Majesté l'Enfant " règne en tyran tout-puissant ; mais, pour que vive un sujet, que s'ouvre l'espace de l'amour, il faut s'en affranchir : meurtre nécessaire autant qu'impossible, encore à perpétrer, jamais accompli. Il y a là une reconnaissance et un renoncement narcissiques toujours à répéter, où la pulsion de mort s'avère fondamentale en ce qu'elle vise le "vieil homme " : l'immortel enfant de nos rêves.
