Romance que expõe numa visão realista situações presentes no cotidiano caótico vivido pelo ser humano. A que limite pode-se chegar quando o desejo por status leva a pessoa a comprometer-se moralmente? Como é visto o sexo irresponsável como instrumento de ascensão social e seus desdobramentos no mundo espiritual? Tema instigante, que cria indagações mexendo com o imaginário, tem como pano de fundo a abastada classe dos senhores de engenho e suas famílias altivas, na Capitania de Pernambuco, no final do século XVIII. Junte-se aos protagonistas e prepare-se para iniciar uma jornada entre dimensões que se entrelaçam e se completam. Boa viagem!
