*L'Homme est né d'impatience. (Coran, XXI, 37) Le meilleur des princes est celui qui fréquente le savant ; le pire des savants est celui qui fréquente les princes. (Sagesse persane) Le pied va là où l'envie l'emmène. (Proverbe tunisien) Sagesse coranique, hadiths (propos du prophète Mohammed), proverbes arabes ou musulmans, sentences universelles : ce petit livre se présente comme une anthologie éclectique, positive et lyrique des paroles de l'Islam. En Orient, l'oralité est mère de tous les enseignements ? éthiques, moraux, familiaux. Autant de principes de vie et d'aphorismes qui font grandir, réfléchir... ou parfois sourire.*
