«Um monumento. Uma espécie de Padrão dos Descobrimentos, se as figuras do Padrão dos Descobrimentos fizessem, todas ao mesmo tempo, um hula hoop em cima de um monociclo, acabando por cair todas ao Tejo. Mas, curiosamente, começando, de imediato, a fazer natação sincronizada. Épico.»

Nuno Markl

Ao longo dos anos, Pedro Ribeiro espalhou pelas ondas da rádio, nas ruas, nos bares de strip e nas paragens de autocarro a sua obra completa. Mas agora os clássicos do cancionero Ribeirinho foram compilados para esta obra-prima do trocadilho e do humor descabido.

Com as piadas deste livro, podes brilhar na festa de Natal do escritório e durante o jantar de turma da faculdade. Se todos estiverem bêbedos, também ajuda.
