Política o La Política (en griego Πολιτικά, en latín *Politica*), es una obra de filosofía política escrita por Aristóteles. Al final de la obra *Ética nicomáquea* Aristóteles expresa que la investigación sobre la ética se deduce necesariamente en la política, y por ello las dos obras con frecuencia son consideradas como partes de un tratado más amplio, que trata sobre la «filosofía de los asuntos humanos». El título significa literalmente «las cosas referentes a la polis.»
