Mona is twenty-three, emotionally adrift and cleaning houses to get by.

While handing out clean needles to drug addicts, she falls for a man she calls Mr Disgusting, who proceeds to break her heart in unimaginable ways.

In search of healing, she decamps to New Mexico for a fresh start, but always lurking just beneath the surface are the ghosts of her past, and the crushing legacy of a chaotic, destructive childhood. It seems running further away from her problems could just leave more inventive ways for them to find her.
