The Sunday Times Top Ten Bestseller

Prince William has emerged as the people's prince, surfacing from a lifetime of scrutiny and speculation as a discerning and charming young man, determined to serve the nation he loves.

His wedding to long-term sweetheart Kate Middleton last year was watched by over two billion people around the world. Protective of his new bride, William has emphasised that he's keen to avoid repeating the mistakes of the past. William has inherited her instinctive empathy for others and in both his professional and personal life he has demonstrated a rare ability to get on with people from all walks of life.

In BORN TO BE KING acclaimed royal writer Penny Junor tells his fascinating story - from growing up in the spotlight; the tragic death of his mother; his career serving in the RAF; the love story with Kate and their fairytale wedding.

This is the definitive portrait of a remarkable young man.
