

Baixar livros gratuitos Provérbios de Buda - Willian Castro (DBSBOOK)

Sidarta Gautama, popularmente conhecido como Buda, foi um príncipe da região do atual Nepal que se tornou professor espiritual e fundador do budismo. A palavra buda significa "o desperto". Seus discursos e aconselhamentos foram preservados depois de sua morte e repassados para outros povos pelos seus seguidores.

Este livro traz alguns dos ensinamentos mais profundos de Buda que irão de alguma forma mexer com você.
