Quand les langues se délient, les expressions défilent  
Quand les Français doutent qu'un jour "les poules auront des dents", les Bulgares attendent que "le cochon en chausson jaune grimpe au poirier".

Forte du succès de Que votre moustache pousse comme la broussaille, Muriel Gilbert repart à la recherche de nouvelles expressions à travers le monde pour les faire découvrir, les traduire, les décrypter mais également nous faire rire.
