Commençant à (un peu) mieux maîtriser ses pouvoirs grâce aux enseignements de son maître Yaga, Seth embarque Doc et Mélie pour Rumble Town, l'un des derniers bastions de l'ère industrielle. Leur mission : y capturer un Némésis vivant ! Les informations glanées par Doc - le sorcier informateur, chercheur, éboueur et mort de peur - attribuent les disparitions qui s'y multiplient depuis plusieurs semaines à la présence d'un nid sur l'îlot industriel. Mais l'Inquisition tient d'une main de fer la population de Rumble Town et l'arrivée des trois infectés déclenche la panique... D'autant que la traque au sorcier à cornes est officiellement ouverte et promet une alléchante récompense à qui mettra la main sur Seth...
