Relire le Coran est le texte des conférences que Jacques Berque (1910-1995) donna à l'Institut du monde arabe après la publication de son *Essai de traduction du Coran*, publié dans cette même collection, afin de présenter à un large public le livre fondateur de l'islam.

À l'apparente incohérence du texte coranique, Jacques Berque oppose de saisissantes régularités qui laissent entrevoir une composition en entrelacs. Le message conjugue la transmission de l'absolu et le traitement de données conjoncturelles : ainsi les valeurs permanentes qu'il édicte s'inscriront-elles dans le temps des hommes. À l'heure où certains prônent l'extension d'une shari'a figée, Jacques Berque souligne l'appel du texte à la raison, ses ouvertures à l'innovation.
