«Robinson Crusoé» foi o primeiro romance de Daniel Defoe. Produto de uma imaginação poderosa, foi um sucesso imediato e ainda hoje é uma das obras mais importantes e controversas da literatura inglesa.

«Robinson Crusoé» é a história das viagens e aventuras de um mercador, do seu naufrágio e da sua vida solitária numa ilha. Baseado na vida de Alexander Selkirk, é uma obra fascinante pelas suas descrições de Crusoé, do modo engenhoso e imaginativo como criava e usava utensílios e de como conhece e se relaciona com Sexta-Feira.
