A *STAND ALONE* story in the bestselling *SIX PACK RANCH* series by New York Times Bestselling Author **Vivian Arend**

-----

*It's the quiet ones who take you by surprise.*

Beth Danube's emotionally abusive husband is dead and buried. So is her heart. It's no big deal, she has all she wants: her three little boys and a fresh start in a small Alberta town. What she *doesn't* want is another man in her life—not now, maybe not ever.

After ten years of unsatisfactory, missionary-position sex, she never expected her libido to reawaken. One look at sex-in-boots Daniel Coleman in a Calgary bar, though, blows the dust off her sexuality.

Sensing an edge of desperation, even fear, beneath Beth's come-on, Daniel finds himself giving in to the powerful urge to let his normally subdued desires run wild. The lady wants non-judgemental, non-vanilla sex? She's got it—in and out of the bedroom.

At first, friends with blazing-hot benefits is more than enough. Then she realizes Daniel is burning away the protective fortress around her heart...and the guilty secret she dare not reveal.

*Warning: One woman determined to retake control of her life, a man with the single-minded purpose of offering her—and her body—everything she needs. Inappropriate behaviour in barns, change rooms, and oh-my-gawd phone sex with a cowboy.*
