Por meio da psicografia de Francisco Cândido Xavier, o Espírito Emmanuel destaca a necessidade de estudo de O livro dos médiuns, publicação que integra a coleção de obras básicas da Doutrina Espírita, organizada por Allan Kardec. Com mensagens e instruções recebidas e selecionadas em reuniões mediúnicas, o autor espiritual desenvolve temas como a conduta do médium e a educação da mediunidade, além de outros assuntos sempre pertinentes aos estudantes do Espiritismo. Traz comentários que mostram a força do conhecimento como meio para romper preconceitos, superstições e fanatismos, tradicionalmente existentes em diversas religiões.
