Novo livro da série Rizzoli & Isles, de Tess Gerritsen, autora best-seller com mais de 30 milhões de exemplares vendidos em mais de 40 países. Um antigo crime vem à tona para assombrar a investigação no novo caso da detetive Jane Rizzoli e da legista Maura Isles. Cassandra Coyle, 26 anos, roteirista e produtora executiva de filmes de terror independentes, encontrada morta na cama de seu quarto com os dois globos oculares arrancados e deixados na palma de sua mão esquerda. Timothy McDougal, 25 anos, contador, encontrado morto na véspera de Natal em um píer com três flechas enfiadas em seu peito nu. Dois homicídios completamente distintos e com uma única relação: a causa da morte é uma incógnita. Resta à detetive Jane Rizzoli e à legista Maura Isles solucionar o mistério antes que o assassino faça sua próxima vítima.
