Les années de guerre s'effacent et les Français redécouvrent les charmes de la Serbie. Charme d'une nation au carrefour entre la civilisation slave et l'Europe centrale et qui présente une palette de traditions et de cultures unique en Europe. Pas moins de 26 nationalités, mais aussi quatre grandes religions, le tout donnant lieu à de nombreuses manifestations hautes en couleur, des musiques, des danses et des tenues des plus variées. La Serbie, bientôt aux portes de l'Europe, est définitivement un pays séduisant et attachant. Et le Petit Futé est encore le premier guide qui vous y emmène !
