O humor filosófico do jovem Platão

Sobre a Mentira e Sobre a Inspiração poética, conhecidos também como Hípias Menor e Íon, são dois dos quase trinta diálogos do jovem Platão (427-347 a.C.) que chegaram até nós. Neles, o principal discípulo de Sócrates usa de toda sua verve brincalhona e irônica para, como lhe é característico, transformar os mais simples debates sobre o ser humano e suas questões em deleitosos embates intelectuais.
