From New York Times and USA Today bestselling author Kylie Scott comes a new story in her Stage Dive series...

When the girl of your dreams is kind of a nightmare.

As head of security to Stage Dive, one of the biggest rock bands in the world, Sam Knowles has plenty of experience dealing with trouble. But spoiled brat Martha Nicholson just might be the worst thing he's ever encountered. The beautiful troublemaker claims to have reformed, but Sam knows better than to think with what's in his pants. Unfortunately, it's not so easy to make his heart fall into line.

Martha's had her sights on the seriously built bodyguard for years. Quiet and conservative, he's not even remotely her type. So why the hell can't she get him out of her mind? There's more to her than the Louboutin wearing party-girl of previous years, however. Maybe it's time to let him in on that fact and deal with this thing between them.

\*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*
