

Télécharger Livres Gratuit Ten Thousand Miles with a Dog Sled (PDF | ePub | Mobi) Hudson Stuck DataBase Book

THIS volume deals with a series of journeys taken with a dog team over the winter trails in the interior of Alaska. The title might have claimed fourteen or fifteen thousand miles instead of ten, for the book was projected and the title adopted some years ago, and the journeys have continued. But ten thousand is a good round titular number, and is none the worse for being well within the mark.
