Termites can be a major problem for any home owner - they can wreak havoc and cause hundreds of dollars of damage. They're hard to detect, and harder to get rid of, and you can spend nearly as much money trying to get rid of them as you would suffer in damages, if you don't know what you are doing.

Thankfully, that's what we are here to help with:

- * What are termites?
- * How do you know when you have termites?
- * Are there any do-it-yourself remedies for termites?
- * How do you prevent termites?

All your questions pertaining to one of the deadliest pests in the world, answered.
