After Arthur Conan Doyle introduced Sherlock Holmes in the novel *A Study in Scarlet* in 1887, he wrote a series of twenty-four short mysteries featuring the detective and his colleague, Dr. Watson, in the pages of the *Strand Magazine* from 1891 to 1893.

*The Adventures of Sherlock Holmes* collects the first twelve of these tales—including “A Scandal in Bohemia” (which introduces Irene Adler), “The Red-Headed League,” “The Five Orange Pips,” and “The Speckled Band”—some of the greatest stories in the Sherlock Holmes canon.

This edition includes all 104 illustrations from the original *Strand* publications by Sidney Paget, a short introduction, and author bio.
